

INTRODUCTION

*For all of God's promises have been fulfilled in Christ with a resounding "Yes!"
And through Christ, our "Amen" (which means "Yes") ascends to God for his glory.*

(2 Corinthians 1:20 NLT)

I was diagnosed with stage-four melanoma in February of 2002. The cancer had metastasized throughout my lymphatic system. It was considered incurable, and my life expectancy without medical intervention was six to nine months.

At the time of my diagnosis, I didn't have any knowledge of Jesus the Healer. In fact, I didn't even know Jesus as my Lord and my Savior. But I was introduced to God's promises through Jenn, a precious woman of God, and began my journey of healing. Six months after receiving Jesus into my life as my Lord, my Savior, and my Healer, I was declared free from cancer ... without ANY MEDICAL INTERVENTION!

Fast forward eighteen years. In September of 2020 I was once again diagnosed with stage-four cancer—this time lymphoma. It had metastasized into bones all over my body, as well as numerous lymph nodes. This time, my healing journey included traditional medical intervention; chemotherapy and immunotherapy. But my faith remained steadfast in Jesus as Lord over all. And I was perfectly healed and made whole—again!

So many people have asked me, "What did you do to receive your healing?" The answer is really quite simple. I fed my heart with God's promises of healing. I trusted Him through it all. I refused to lean on my own strength or understanding. I surrendered all to Him. I simply believed Him at His word. He said "Yes"! I said "Amen, so be it done to me according to Your word"!

In the years since my first healing, my husband Kent and I have shared these same amazing promises with countless people across the world—through face-to-face teaching, through our books, our website, our video and audio recordings, and our podcasts. We have seen countless people receive healing and so very much more from Abba Father. My burning passion is to take God's message of healing to the world. This Bible study was consummated through intimate relationship with my Father and His word, conceived in my heart, and birthed in this very study that is now in your hands.

I have a great expectancy that as God's promises are revealed to you, the seed of His word will take root in your heart, and produce the precious fruit of healing in your spirit, soul and body! And our God will be glorified!!!
